# Overview and Important Information

With an Esso<sup>™</sup> card, you have access to over 1,800 24-hour sites and 1,100 truck sites in the UK. Esso<sup>™</sup> service stations are conveniently located along busy motorways and across towns and cities. You can also use your Esso<sup>™</sup> Card to refuel at Shell and BP sites.

You will be charged the pump price at Shell and BP garages.

You can collect Nectar points on fuel at participating Esso™ fuel stations.

All products outside of standard diesel including AdBlue are available for convenience with the Esso™ card but are also charged higher than advertised.

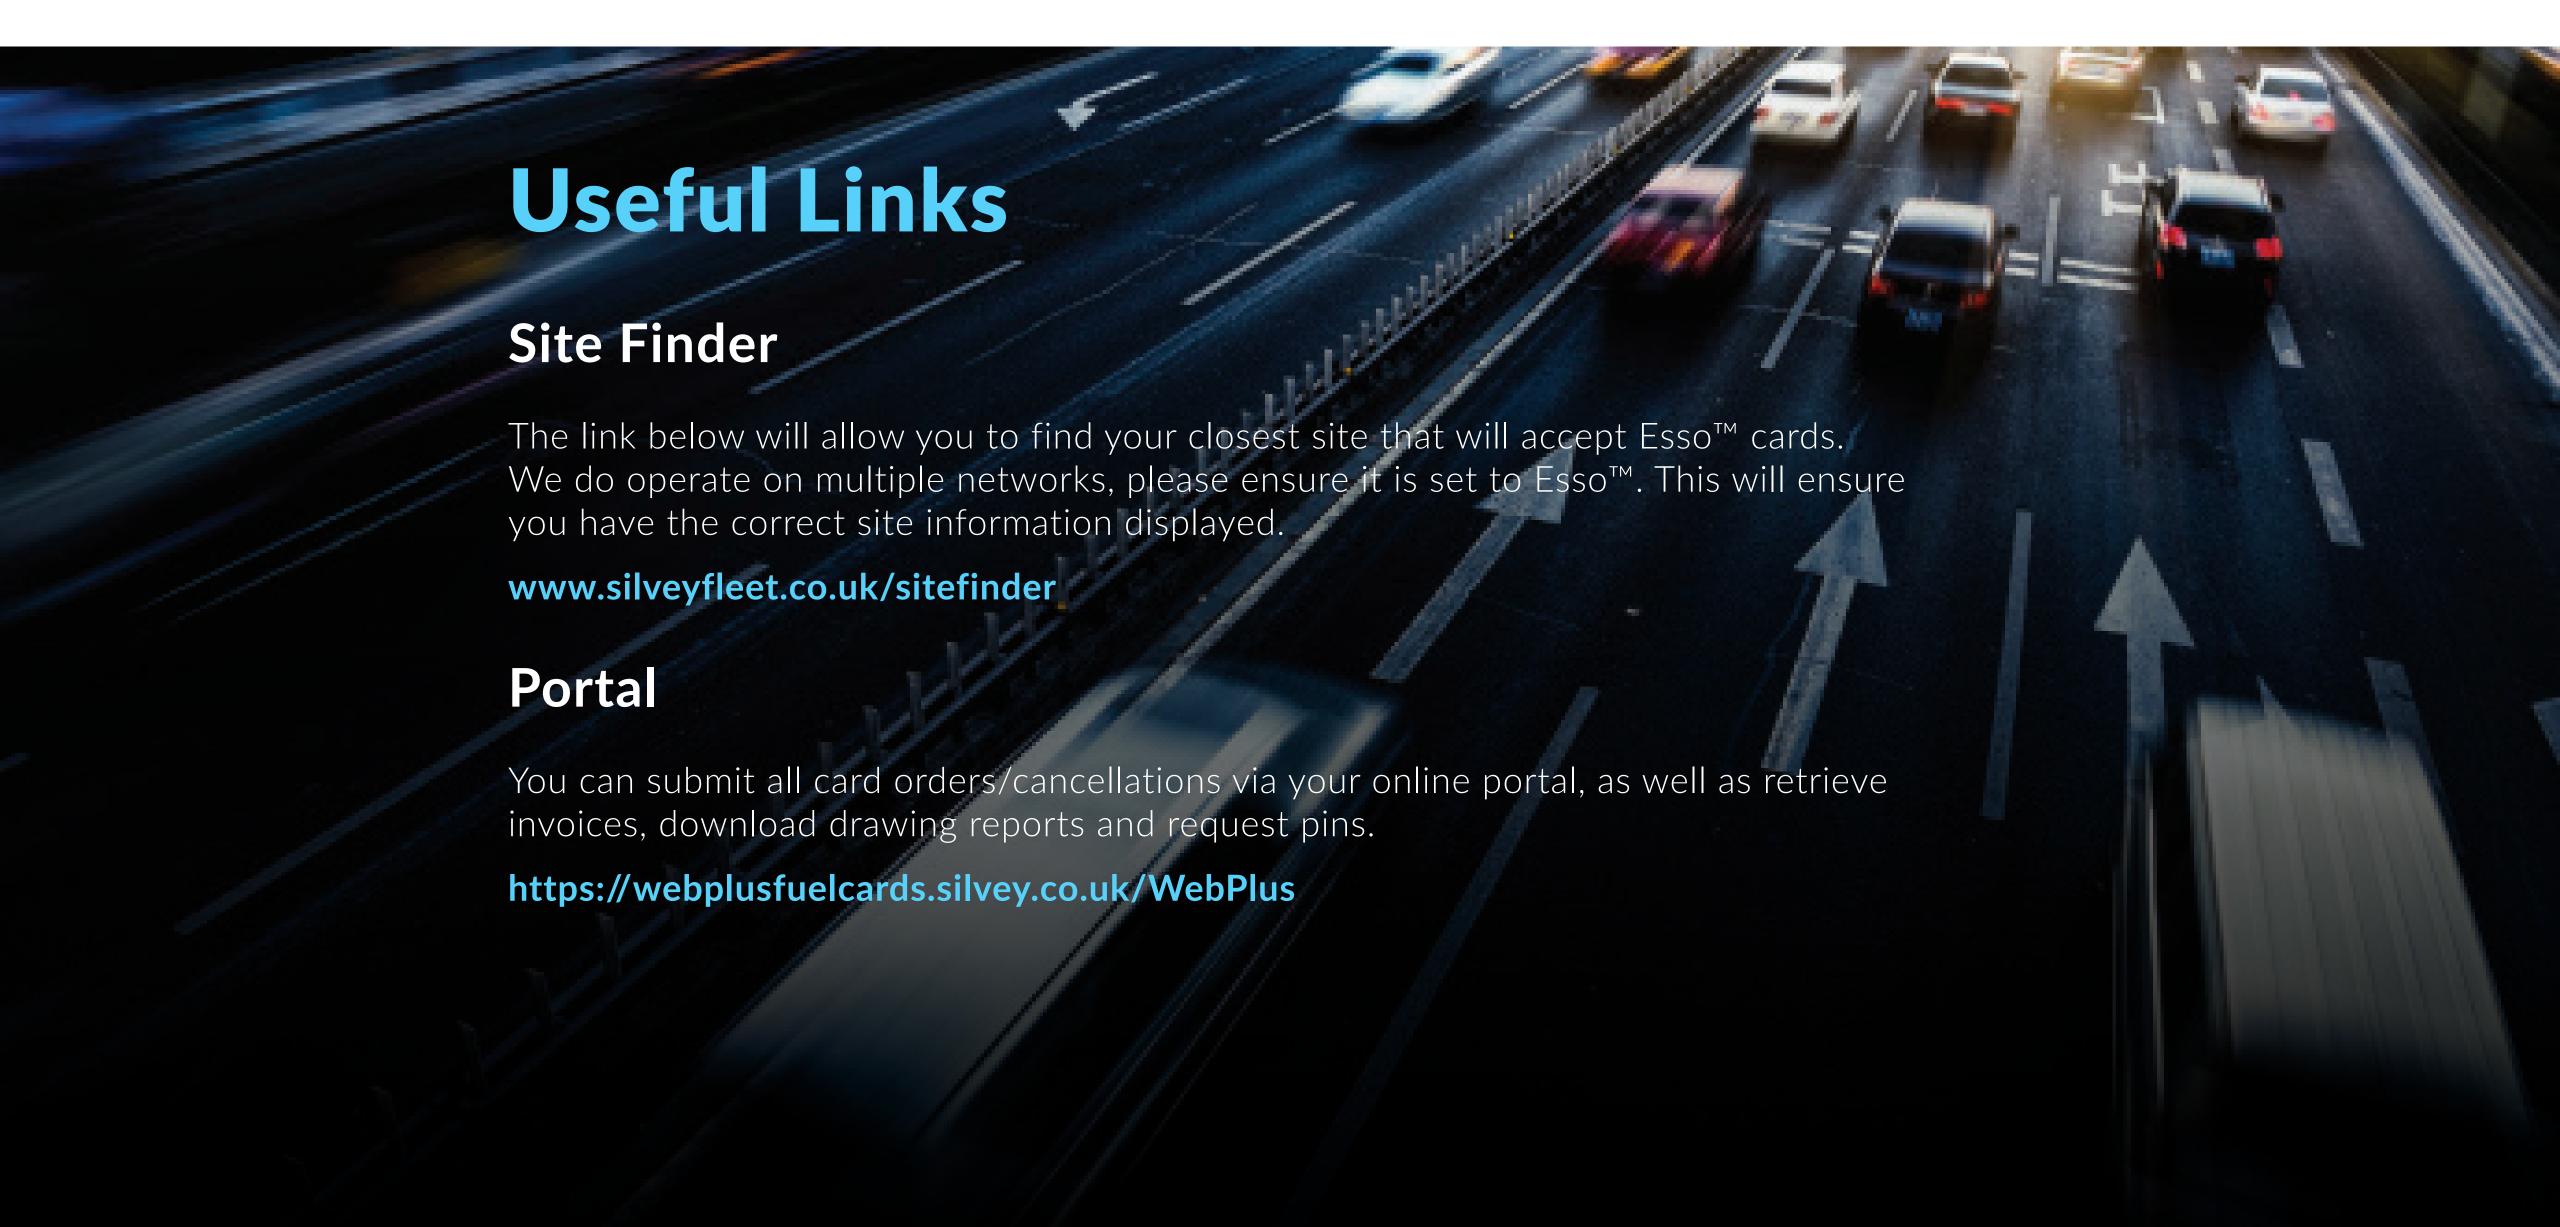

## Your Card

#### Retail Refuelling Sites

Your PINs have been sent to you via email. You can also find your PINs on the portal under 'Card Management'.

- 1. Refuel your vehicle noting the pump number, volume of fuel drawn and your mileage.
- 2. Replace the pump nozzle and return to the cashier. All Esso™ stations require you to use your PIN. BP and Shell stations will require a signature.
- 3. Your receipt will show the volume of fuel drawn (not your price), check the receipt details carefully before signing.
- 4. Ensure that the correct fuel card is returned to you before leaving.

#### **EV** Charging

You can now access a growing, nationwide, multi-branded range of ultra fast EV charging stations across the UK with our Electric Vehicle fuel card. The same fuel card can also work for petrol and diesel vehicles too - keeping all your fuel costs with one fuel card provider.

#### Miles Monitor

Miles Monitor is a fleet management solution we offer to provide a cost efficient way to manage your fleet. Miles Monitor will produce essential fleet management information, giving you a complete overview of your fleet's expenses and operational workings. It can record business mileage and check driver licences.
